

Memorandum 2017-3

2017 Legislative Program (Status Report)

The staff has found authors for three of the four Commission recommendations¹ that are ready for introduction in 2017, as follows:

- Assembly Member Chau will author a bill to implement the Commission's recommendation on *Government Interruption of Communication Service* (December 2016).
- Assembly Member Gallagher will author a bill to implement the Commission's recommendation on *Mechanics Liens in Common Interest Developments* (December 2016).
- Assembly Member Maienschein will author a bill to implement the Commission's recommendation on *Recognition of Tribal and Foreign Court Money Judgments* (September 2016).

Those bills have not yet been introduced, as bill drafts in proper form are still being prepared.

The staff has submitted the final recommendation, *Deadly Weapons: Minor Clean-Up Issues (Part 2)* (December 2015), to the Senate Public Safety Committee for possible introduction as a committee bill. The committee's review of the proposal involves many parties and will take some time.

Respectfully submitted,

Brian Hebert
Executive Director
