CHAPTER 3.5. INSPECTION OF PUBLIC RECORDS

Article 1. General Provisions

§ 6250. Legislative finding and declaration

6250. In enacting this chapter, the Legislature, mindful of the right of individuals to privacy, finds and declares that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state.

§ 6251. Name of act

6251. This chapter shall be known and may be cited as the California Public Records Act.

§ 6252. Definitions

6252. As used in this chapter:

(a) "Local agency" includes a county; city, whether general law or chartered; city and county; school district; municipal corporation; district; political subdivision; or any board, commission or agency thereof; other local public agency; or entities that are legislative bodies of a local agency pursuant to subdivisions (c) and (d) of Section 54952.

(b) "Member of the public" means any person, except a member, agent, officer, or employee of a federal, state, or local agency acting within the scope of his or her membership, agency, office, or employment.

(c) "Person" includes any natural person, corporation, partnership, limited liability company, firm, or association.

(d) "Public agency" means any state or local agency.

(e) "Public records" includes any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. "Public records" in the custody of, or maintained by, the Governor's office means any writing prepared on or after January 6, 1975.

1 (f)(1) "State agency" means every state office, officer, department, division,
2 bureau, board, and commission or other state body or agency, except those
3 agencies provided for in Article IV (except Section 20 thereof) or Article VI of the
4 California Constitution.

5 (2) Notwithstanding paragraph (1) or any other law, "state agency" shall also
6 mean the State Bar of California, as described in Section 6001 of the Business and
7 Professions Code.

8 (g) "Writing" means any handwriting, typewriting, printing, photostating,
9 photographing, photocopying, transmitting by electronic mail or facsimile, and
10 every other means of recording upon any tangible thing any form of
11 communication or representation, including letters, words, pictures, sounds, or
12 symbols, or combinations thereof, and any record thereby created, regardless of
13 the manner in which the record has been stored.

14 **§ 6252.5. Access by elected member or officer of agency**

15 6252.5. Notwithstanding the definition of "member of the public" in Section
16 6252, an elected member or officer of any state or local agency is entitled to
17 access to public records of that agency on the same basis as any other person.
18 Nothing in this section shall limit the ability of elected members or officers to
19 access public records permitted by law in the administration of their duties.

20 This section does not constitute a change in, but is declaratory of, existing law.

21 **§ 6252.6. Information relating to deceased minor foster child**

22 6252.6. Notwithstanding paragraph (2) of subdivision (a) of Section 827 of the
23 Welfare and Institutions Code, after the death of a foster child who is a minor, the
24 name, date of birth, and date of death of the child shall be subject to disclosure by
25 the county child welfare agency pursuant to this chapter.

26 **§ 6252.7. Nondiscrimination by local agency in disclosure to members of local legislative**
27 **body**

28 6252.7. Notwithstanding Section 6252.5 or any other provision of law, when the
29 members of a legislative body of a local agency are authorized to access a writing
30 of the body or of the agency as permitted by law in the administration of their
31 duties, the local agency, as defined in Section 54951, shall not discriminate
32 between or among any of those members as to which writing or portion thereof is
33 made available or when it is made available.

34 **§ 6253. Procedures governing access to public records subject to disclosure**

35 6253. (a) Public records are open to inspection at all times during the office
36 hours of the state or local agency and every person has a right to inspect any
37 public record, except as hereafter provided. Any reasonably segregable portion of
38 a record shall be available for inspection by any person requesting the record after
39 deletion of the portions that are exempted by law.

1 (b) Except with respect to public records exempt from disclosure by express
2 provisions of law, each state or local agency, upon a request for a copy of records
3 that reasonably describes an identifiable record or records, shall make the records
4 promptly available to any person upon payment of fees covering direct costs of
5 duplication, or a statutory fee if applicable. Upon request, an exact copy shall be
6 provided unless impracticable to do so.

7 (c) Each agency, upon a request for a copy of records, shall, within 10 days from
8 receipt of the request, determine whether the request, in whole or in part, seeks
9 copies of disclosable public records in the possession of the agency and shall
10 promptly notify the person making the request of the determination and the
11 reasons therefor. In unusual circumstances, the time limit prescribed in this section
12 may be extended by written notice by the head of the agency or his or her designee
13 to the person making the request, setting forth the reasons for the extension and
14 the date on which a determination is expected to be dispatched. No notice shall
15 specify a date that would result in an extension for more than 14 days. When the
16 agency dispatches the determination, and if the agency determines that the request
17 seeks disclosable public records, the agency shall state the estimated date and time
18 when the records will be made available. As used in this section, “unusual
19 circumstances” means the following, but only to the extent reasonably necessary
20 to the proper processing of the particular request:

21 (1) The need to search for and collect the requested records from field facilities
22 or other establishments that are separate from the office processing the request.

23 (2) The need to search for, collect, and appropriately examine a voluminous
24 amount of separate and distinct records that are demanded in a single request.

25 (3) The need for consultation, which shall be conducted with all practicable
26 speed, with another agency having substantial interest in the determination of the
27 request or among two or more components of the agency having substantial
28 subject matter interest therein.

29 (4) The need to compile data, to write programming language or a computer
30 program, or to construct a computer report to extract data.

31 (d) Nothing in this chapter shall be construed to permit an agency to delay or
32 obstruct the inspection or copying of public records. The notification of denial of
33 any request for records required by Section 6255 shall set forth the names and
34 titles or positions of each person responsible for the denial.

35 (e) Except as otherwise prohibited by law, a state or local agency may adopt
36 requirements for itself that allow for faster, more efficient, or greater access to
37 records than prescribed by the minimum standards set forth in this chapter.

38 (f) In addition to maintaining public records for public inspection during the
39 office hours of the public agency, a public agency may comply with subdivision
40 (a) by posting any public record on its Internet Web site and, in response to a
41 request for a public record posted on the Internet Web site, directing a member of
42 the public to the location on the Internet Web site where the public record is
43 posted. However, if after the public agency directs a member of the public to the

1 Internet Web site, the member of the public requesting the public record requests a
2 copy of the public record due to an inability to access or reproduce the public
3 record from the Internet Web site, the public agency shall promptly provide a copy
4 of the public record pursuant to subdivision (b).

5 **§ 6253.1. Duties of agency upon request for access to public record**

6 6253.1. (a) When a member of the public requests to inspect a public record or
7 obtain a copy of a public record, the public agency, in order to assist the member
8 of the public make a focused and effective request that reasonably describes an
9 identifiable record or records, shall do all of the following, to the extent reasonable
10 under the circumstances:

11 (1) Assist the member of the public to identify records and information that are
12 responsive to the request or to the purpose of the request, if stated.

13 (2) Describe the information technology and physical location in which the
14 records exist.

15 (3) Provide suggestions for overcoming any practical basis for denying access to
16 the records or information sought.

17 (b) The requirements of paragraph (1) of subdivision (a) shall be deemed to have
18 been satisfied if the public agency is unable to identify the requested information
19 after making a reasonable effort to elicit additional clarifying information from the
20 requester that will help identify the record or records.

21 (c) The requirements of subdivision (a) are in addition to any action required of
22 a public agency by Section 6253.

23 (d) This section shall not apply to a request for public records if any of the
24 following applies:

25 (1) The public agency makes available the requested records pursuant to Section
26 6253.

27 (2) The public agency determines that the request should be denied and bases
28 that determination solely on an exemption listed in Section 6254.

29 (3) The public agency makes available an index of its records.

30 **§ 6253.2. Information relating to providers of in-home supportive services or personal care**
31 **services**

32 6253.2. (a) Notwithstanding any other provision of this chapter to the contrary,
33 information regarding persons paid by the state to provide in-home supportive
34 services pursuant to Article 7 (commencing with Section 12300) of Chapter 3 of
35 Part 3 of Division 9 of the Welfare and Institutions Code or personal care services
36 pursuant to Section 14132.95 of the Welfare and Institutions Code, is not subject
37 to public disclosure pursuant to this chapter, except as provided in subdivision (b).

38 (b) Copies of names, addresses, home telephone numbers, personal cellular
39 telephone numbers, and personal email addresses of persons described in
40 subdivision (a) shall be made available, upon request, to an exclusive bargaining
41 agent and to any labor organization seeking representation rights pursuant to

1 subdivision (c) of Section 12301.6 or Section 12302.25 of the Welfare and
2 Institutions Code or Chapter 10 (commencing with Section 3500) of Division 4 of
3 Title 1. This information shall not be used by the receiving entity for any purpose
4 other than the employee organizing, representation, and assistance activities of the
5 labor organization.

6 (c) This section applies solely to individuals who provide services under the In-
7 Home Supportive Services Program (Article 7 (commencing with Section 12300)
8 of Chapter 3 of Part 3 of Division 9 of the Welfare and Institutions Code) or the
9 Personal Care Services Program pursuant to Section 14132.95 of the Welfare and
10 Institutions Code.

11 (d) Nothing in this section is intended to alter or shall be interpreted to alter the
12 rights of parties under the Meyers-Milias-Brown Act (Chapter 10 (commencing
13 with Section 3500) of Division 4) or any other labor relations law.

14 **§ 6253.3. Prohibition against control of disclosure by third party**

15 6253.3. A state or local agency may not allow another party to control the
16 disclosure of information that is otherwise subject to disclosure pursuant to this
17 chapter.

18 **§ 6253.31. Access to agency contract requiring private entity to review, audit, or report on**

27 followed when making its records available in accordance with this section.

29 accessibility of records. A copy of these guidelines shall be posted in a

38 (f) This section shall become operative April 1, 2001.

39 **§ 6253.9. Information in electronic format**

40 6235.9. (a) Unless otherwise prohibited by law, any agency that has information
41 that constitutes an identifiable public record not exempt from disclosure pursuant

1 to this chapter that is in an electronic format shall make that information available
2 in an electronic format when requested by any person and, when applicable, shall
3 comply with the following:

4 (1) The agency shall make the information available in any electronic format in
5 which it holds the information.

6 (2) Each agency shall provide a copy of an electronic record in the format
7 requested if the requested format is one that has been used by the agency to create
8 copies for its own use or for provision to other agencies. The cost of duplication
9 shall be limited to the direct cost of producing a copy of a record in an electronic
10 format.

11 (b) Notwithstanding paragraph (2) of subdivision (a), the requester shall bear the
12 cost of producing a copy of the record, including the cost to construct a record,
13 and the cost of programming and computer services necessary to produce a copy
14 of the record when either of the following applies:

15 (1) In order to comply with the provisions of subdivision (a), the public agency
16 would be required to produce a copy of an electronic record and the record is one
17 that is produced only at otherwise regularly scheduled intervals.

18 (2) The request would require data compilation, extraction, or programming to
19 produce the record.

20 (c) Nothing in this section shall be construed to require the public agency to
21 reconstruct a record in an electronic format if the agency no longer has the record
22 available in an electronic format.

23 (d) If the request is for information in other than electronic format, and the
24 information also is in electronic format, the agency may inform the requester that
25 the information is available in electronic format.

26 (e) Nothing in this section shall be construed to permit an agency to make
27 information available only in an electronic format.

28 (f) Nothing in this section shall be construed to require the public agency to
29 release an electronic record in the electronic form in which it is held by the agency
30 if its release would jeopardize or compromise the security or integrity of the
31 original record or of any proprietary software in which it is maintained.

32 (g) Nothing in this section shall be construed to permit public access to records
33 held by any agency to which access is otherwise restricted by statute.

34 **§ 6253.10. Formatting of public record on Internet Resource maintained by local agency**

35 6253.10. If a local agency, except a school district, maintains an Internet
36 Resource, including, but not limited to, an Internet Web site, Internet Web page, or
37 Internet Web portal, which the local agency describes or titles as “open data,” and
38 the local agency voluntarily posts a public record on that Internet Resource, the
39 local agency shall post the public record in an open format that meets all of the
40 following requirements:

41 (a) Retrievable, downloadable, indexable, and electronically searchable by
42 commonly used Internet search applications.

- 1 (b) Platform independent and machine readable.
- 2 (c) Available to the public free of charge and without any restriction that would
- 3 impede the reuse or redistribution of the public record.
- 4 (d) Retains the data definitions and structure present when the data was
- 5 compiled, if applicable.

6 **§ 6254. Exemptions from disclosure**

7 6254. Except as provided in Sections 6254.7 and 6254.13, this chapter does not
8 require the disclosure of any of the following records:

9 (a) Preliminary drafts, notes, or interagency or intra-agency memoranda that are
10 not retained by the public agency in the ordinary course of business, if the public
11 interest in withholding those records clearly outweighs the public interest in
12 disclosure.

13 (b) Records pertaining to pending litigation to which the public agency is a
14 party, or to claims made pursuant to Division 3.6 (commencing with Section 810),
15 until the pending litigation or claim has been finally adjudicated or otherwise
16 settled.

17 (c) Personnel, medical, or similar files, the disclosure of which would constitute
18 an unwarranted invasion of personal privacy.

19 (d) Records contained in or related to any of the following:

20 (1) Applications filed with any state agency responsible for the regulation or
21 supervision of the issuance of securities or of financial institutions, including, but
22 not limited to, banks, savings and loan associations, industrial loan companies,
23 credit unions, and insurance companies.

24 (2) Examination, operating, or condition reports prepared by, on behalf of, or for
25 the use of, any state agency referred to in paragraph (1).

26 (3) Preliminary drafts, notes, or interagency or intra-agency communications
27 prepared by, on behalf of, or for the use of, any state agency referred to in
28 paragraph (1).

29 (4) Information received in confidence by any state agency referred to in

38 other state or local police agency, or any investigatory or security files compiled
39 by any other state or local agency for correctional, law enforcement, or licensing
40 purposes. However, state and local law enforcement agencies shall disclose the
41 names and addresses of persons involved in, or witnesses other than confidential
42 informants to, the incident, the description of any property involved, the date,

1 time, and location of the incident, all diagrams, statements of the parties involved
2 in the incident, the statements of all witnesses, other than confidential informants,
3 to the victims of an incident, or an authorized representative thereof, an insurance
4 carrier against which a claim has been or might be made, and any person suffering
5 bodily injury or property damage or loss, as the result of the incident caused by
6 arson, burglary, fire, explosion, larceny, robbery, carjacking, vandalism, vehicle
7 theft, or a crime as defined by subdivision (b) of Section 13951, unless the
8 disclosure would endanger the safety of a witness or other person involved in the
9 investigation, or unless disclosure would endanger the successful completion of
10 the investigation or a related investigation. However, this subdivision does not
11 require the disclosure of that portion of those investigative files that reflects the
12 analysis or conclusions of the investigating officer.

13 Customer lists provided to a state or local police agency by an alarm or security
14 company at the request of the agency shall be construed to be records subject to
15 this subdivision.

16 Notwithstanding any other provision of this subdivision, state and local law
17 enforcement agencies shall make public the following information, except to the
18 extent that disclosure of a particular item of information would endanger the safety
19 of a person involved in an investigation or would endanger the successful
20 completion of the investigation or a related investigation:

21 (1) The full name and occupation of every individual arrested by the agency, the
22 individual's physical description including date of birth, color of eyes and hair,
23 sex, height and weight, the time and date of arrest, the time and date of booking,
24 the location of the arrest, the factual circumstances surrounding the arrest, the

30 the time, substance, and location of all complaints or requests for assistance
31 received by the agency and the time and nature of the response thereto, including,
32 to the extent the information regarding crimes alleged or committed or any other
33 incident investigated is recorded, the time, date, and location of occurrence, the
34 time and date of the report, the name and age of the victim, the factual
35 circumstances surrounding the crime or incident, and a general description of any
36 injuries, property, or weapons involved. The name of a victim of any crime

40 may be withheld at the victim's request, or at the request of the victim's parent or
41 guardian if the victim is a minor. When a person is the victim of more than one
42 crime, information disclosing that the person is a victim of a crime defined in any
43 of the sections of the Penal Code set forth in this subdivision may be deleted at the

1 request of the victim, or the victim’s parent or guardian if the victim is a minor, in
2 making the report of the crime, or of any crime or incident accompanying the

4 paragraph.

6 names and images of a victim of human trafficking, as defined in Section 236.1 of
7 the Penal Code, and of that victim’s immediate family, other than a family
8 member who is charged with a criminal offense arising from the same incident,
9 may be withheld at the victim’s request until the investigation or any subsequent
10 prosecution is complete. For purposes of this subdivision, “immediate family”
11 shall have the same meaning as that provided in paragraph (3) of subdivision (b)
12 of Section 422.4 of the Penal Code.

16 perjury that the request is made for a scholarly, journalistic, political, or
17 governmental purpose, or that the request is made for investigation purposes by a
18 licensed private investigator as described in Chapter 11.3 (commencing with
19 Section 7512) of Division 3 of the Business and Professions Code. However, the

22 273.5, 285, 286, 288, 288a, 288.2, 288.3, 288.4, 288.5, 288.7, 289, 422.6, 422.7,
23 422.75, 646.9, or 647.6 of the Penal Code shall remain confidential. Address
24 information obtained pursuant to this paragraph shall not be used directly or
25 indirectly, or furnished to another, to sell a product or service to any individual or
26 group of individuals, and the requester shall execute a declaration to that effect
27 under penalty of perjury. This paragraph shall not be construed to prohibit or limit
28 a scholarly, journalistic, political, or government use of address information
29 obtained pursuant to this paragraph.

35 and evaluations made for or by the state or local agency relative to the acquisition

38 the law of eminent domain shall not be affected by this provision.

39 (i) Information required from any taxpayer in connection with the collection of
40 local taxes that is received in confidence and the disclosure of the information to
41 other persons would result in unfair competitive disadvantage to the person
42 supplying the information.

23 and the data is required in order to obtain guarantees from the United States Small
24 Business Administration. The California Pollution Control Financing Authority

26 section and for making available to the public those portions of an application that

22 any or all of the data so submitted is a properly designated trade secret. In order to
23 assure that the interested public has an opportunity to obtain and review pesticide
24 safety and efficacy data and to comment prior to the expiration of the public
25 comment period on a proposed pesticide registration, the director shall provide
26 notice to interested persons when an application for registration enters the
27 registration evaluation process.

28 (c) If the director determines that the data is not a trade secret, the director shall
29 notify the registrant or applicant by certified mail.

30 (d) The registrant or applicant shall have 30 days after receipt of this notification
31 to provide the director with a complete justification and statement of the grounds

8 decision becomes final that holds that paragraph invalid, to the extent of the
9 invalidity.

10 (h) The director shall not knowingly disclose information submitted to the state
11 by an applicant or registrant pursuant to Article 4 (commencing with Section

26 (1) I do not seek access to the information for purposes of delivering it or
27 offering it for sale to any business or other entity, including the business or entity
28 of which I am an officer, employee, or agent engaged in the production, sale, or
29 distribution of pesticides in countries other than the United States or in countries
30 in addition to the United States, or to the officers, employees, or agents of such a

16 An agency shall justify withholding such a video or audio recording by

27 portions of the recording containing the victim’s voice, provided that the redaction
28 does not prevent a viewer from being able to fully and accurately perceive the
29 events captured on the recording. The recording shall not otherwise be edited or
30 altered.

31 (c) A victim of a crime described in subdivision (a) who is a subject of a
32 recording, the parent or legal guardian of a minor subject, a deceased subject’s

11 equipment, or other contrivance, are public records.

12 (b) All air or other pollution monitoring data, including data compiled from

26 having commercial value and which gives its user an opportunity to obtain a
27 business advantage over competitors who do not know or use it.

28 (e) Notwithstanding any other provision of law, all air pollution emission data,
29 including those emission data which constitute trade secrets as defined in
30 subdivision (d), are public records. Data used to calculate emission data are not
31 emission data for the purposes of this subdivision and data which constitute trade
32 secrets and which are used to calculate emission data are not public records.

9 (b) As used in this section, “computer software” includes computer mapping
10 systems, computer programs, and computer graphics systems.

12 of the State of California or any local agency for errors, omissions, or other defects
13 in any computer software as provided pursuant to this section.

14 (d) Nothing in this section is intended to affect the public record status of
15 information merely because it is stored in a computer. Public records stored in a
16 computer shall be disclosed as required by this chapter.

17 (e) Nothing in this section is intended to limit any copyright protections.

18 **§ 6254.10. Archaeological site information**

4 contracts, and of the contracting process as provided in this subdivision, is
5 intended to protect the competitive nature of the negotiation process, and shall not
6 affect public access to other information relating to the delivery of health care
7 services.

8 (c) Any person may institute proceedings for injunctive or declarative relief or

15 of records stored within an information technology system of a public agency that
16 are not otherwise exempt from disclosure pursuant to this chapter or any other

25 the written permission of that individual.

26 (b) No person shall knowingly post the home address or telephone number of

28 the Internet knowing that person is an elected or appointed official and intending
29 to cause imminent great bodily harm that is likely to occur or threatening to cause
30 imminent great bodily harm to that individual. A violation of this subdivision is a
31 misdemeanor. A violation of this subdivision that leads to the bodily injury of the
32 official, or his or her residing spouse or child, is a misdemeanor or a felony.

33 (c)(1)(A) No person, business, or association shall publicly post or publicly
34 display on the Internet the home address or telephone number of any elected or

5 prior to the end of the four-year period.

6 (D)(i) A person, business, or association that receives the written demand of an
7 elected or appointed official pursuant to this paragraph shall remove the official's
8 home address or telephone number from public display on the Internet, including
9 information provided to cellular telephone applications, within 48 hours of
10 delivery of the written demand, and shall continue to ensure that this information
11 is not reposted on the same Internet Web site, subsidiary site, or any other Internet

13 (ii) After receiving the elected or appointed official's written demand, the

18 defined in Section 234 of the Public Utilities Code, or its affiliate, from
19 transferring the elected or appointed official's home address or telephone number
20 to any person, business, or association, if the transfer is authorized by federal or

31 thousand dollars (\$1,000) may be imposed for a violation of the court's order for
32 an injunction or declarative relief obtained pursuant to this paragraph.

33 (3) An elected or appointed official may designate in writing the official's
34 employer, a related governmental entity, or any voluntary professional association
35 of similar officials to act, on behalf of that official, as that official's agent with
36 regard to making a written demand pursuant to this section. In the case of an
37 appointed official who is a peace officer, as defined in Sections 830 to 830.65,
38 inclusive, of the Penal Code, a District Attorney, or a Deputy District Attorney,
39 that official may also designate his or her recognized collective bargaining
40 representative to make a written demand on his or her behalf pursuant to this
41 section. A written demand made by an agent pursuant to this paragraph shall
42 include a statement describing a threat or fear for the safety of that official or of
43 any person residing at the official's home address.

1 (d)(1) No person, business, or association shall solicit, sell, or trade on the
2 Internet the home address or telephone number of an elected or appointed official
3 with the intent to cause imminent great bodily harm to the official or to any person
4 residing at the official's home address.

5 (2) Notwithstanding any other law, an official whose home address or telephone
6 number is solicited, sold, or traded in violation of paragraph (1) may bring an
7 action in any court of competent jurisdiction. If a jury or court finds that a

1 provider rate or payment determinations, allocation or distribution methodologies
2 for provider payments, formulae or calculations for these payments, and contract
3 negotiations with providers of health care for alternative rates for a period of three
4 years after the contract is fully executed. The transmission of the records, or the
5 information contained therein in an alternative form, to the board of supervisors
6 shall not constitute a waiver of exemption from disclosure, and the records and
7 information once transmitted to the board of supervisors shall be subject to this
8 same exemption. The provisions of this section shall not prevent access to any

17 disclosed by that law enforcement agency pursuant to subdivision (f) of Section
18 6254. However, if, for identification purposes, a state or local law enforcement
19 agency requires identification in order for a victim of an incident, or an authorized

33 6255. (a) The agency shall justify withholding any record by demonstrating that
34 the record in question is exempt under express provisions of this chapter or that on
35 the facts of the particular case the public interest served by not disclosing the
36 record clearly outweighs the public interest served by disclosure of the record.

37 (b) A response to a written request for inspection or copies of public records that
38 includes a determination that the request is denied, in whole or in part, shall be in

20 and any oral argument and additional evidence as the court may allow.

21 (b) If the court finds that the public official's decision to refuse disclosure is not
22 justified under Section 6254 or 6255, he or she shall order the public official to
23 make the record public. If the judge determines that the public official was
24 justified in refusing to make the record public, he or she shall return the item to the
25 public official without disclosing its content with an order supporting the decision
26 refusing disclosure.

27 (c) In an action filed on or after January 1, 1991, an order of the court, either
28 directing disclosure by a public official or supporting the decision of the public
29 official refusing disclosure, is not a final judgment or order within the meaning of

34 after service upon him or her of a written notice of entry of the order, or within
35 such further time not exceeding an additional 20 days as the trial court may for
36 good cause allow. If the notice is served by mail, the period within which to file
37 the petition shall be increased by five days. A stay of an order or judgment shall
38 not be granted unless the petitioning party demonstrates it will otherwise sustain
39 irreparable damage and probable success on the merits. Any person who fails to
40 obey the order of the court shall be cited to show cause why he or she is not in
41 contempt of court.

1 (d) The court shall award court costs and reasonable attorney fees to the plaintiff
2 should the plaintiff prevail in litigation filed pursuant to this section. The costs and
3 fees shall be paid by the public agency of which the public official is a member or
4 employee and shall not become a personal liability of the public official. If the
5 court finds that the plaintiff's case is clearly frivolous, it shall award court costs
6 and reasonable attorney fees to the public agency.

7 **§ 6260. Effect of chapter**

8 6260. The provisions of this chapter shall not be deemed in any manner to affect
9 the status of judicial records as it existed immediately prior to the effective date of
10 this section, nor to affect the rights of litigants, including parties to administrative
11 proceedings, under the laws of discovery of this state, nor to limit or impair any
12 rights of discovery in a criminal case.

13 **§ 6261. Itemized statement of total expenditures and disbursement**

14 6261. Notwithstanding Section 6252, an itemized statement of the total
15 expenditures and disbursement of any agency provided for in Article VI of the
16 California Constitution shall be open for inspection.

17 **§ 6262. Disclosure of licensing records to district attorney**

18 6262. The exemption of records of complaints to, or investigations conducted
19 by, any state or local agency for licensing purposes under subdivision (f) of
20 Section 6254 shall not apply when a request for inspection of such records is made
21 by a district attorney.

22 **§ 6263. Inspection or copying of record by district attorney**

23 6263. A state or local agency shall allow an inspection or copying of any public
24 record or class of public records not exempted by this chapter when requested by a
25 district attorney.

26 **§ 6264. Judicial action by district attorney**

27 6264. The district attorney may petition a court of competent jurisdiction to
28 require a state or local agency to allow him to inspect or receive a copy of any
29 public record or class of public records not exempted by this chapter when the
30 agency fails or refuses to allow inspection or copying within 10 working days of a
31 request. The court may require a public agency to permit inspection or copying by
32 the district attorney unless the public interest or good cause in withholding such
33 records clearly outweighs the public interest in disclosure.

34 **§ 6265. Effect of disclosure to district attorney**

35 6265. Disclosure of records to a district attorney under the provisions of this
36 chapter shall effect no change in the status of the records under any other

1 **§ 6267. Patron use records of publicly-supported library**

2 6267. All patron use records of any library which is in whole or in part
3 supported by public funds shall remain confidential and shall not be disclosed by a
4 public agency, or private actor that maintains or stores patron use records on
5 behalf of a public agency, to any person, local agency, or state agency except as
6 follows:

7 (a) By a person acting within the scope of his or her duties within the
8 administration of the library.

9 (b) By a person authorized, in writing, by the individual to whom the records
10 pertain, to inspect the records.

11 (c) By order of the appropriate superior court.

12 As used in this section, the term “patron use records” includes the following:

13 (1) Any written or electronic record, that is used to identify the patron,
14 including, but not limited to, a patron’s name, address, telephone number, or e-
15 mail address, that a library patron provides in order to become eligible to borrow
16 or use books and other materials.

17 (2) Any written record or electronic transaction that identifies a patron’s
18 borrowing information or use of library information resources, including, but not
19 limited to, database search records, borrowing records, class records, and any
20 other personally identifiable uses of library resources information requests, or
21 inquiries.

22 This section shall not apply to statistical reports of patron use nor to records of
23 fines collected by the library.

24 **§ 6268. Archiving and disclosure of Governor’s public records**

25 6268. Public records, as defined in Section 6252, in the custody or control of the
26 Governor when he or she leaves office, either voluntarily or involuntarily, shall, as
27 soon as is practical, be transferred to the State Archives. Notwithstanding any
28 other provision of law, the Governor, by written instrument, the terms of which
29 shall be made public, may restrict public access to any of the transferred public
30 records, or any other writings he or she may transfer, which have not already been
31 made accessible to the public. With respect to public records, public access, as
32 otherwise provided for by this chapter, shall not be restricted for a period greater
33 than 50 years or the death of the Governor, whichever is later, nor shall there be
34 any restriction whatsoever with respect to enrolled bill files, press releases, speech
35 files, or writings relating to applications for clemency or extradition in cases
36 which have been closed for a period of at least 25 years. Subject to any restrictions
37 permitted by this section, the Secretary of State, as custodian of the State
38 Archives, shall make all such public records and other writings available to the
39 public as otherwise provided for in this chapter.

40 Except as to enrolled bill files, press releases, speech files, or writings relating to
41 applications for clemency or extradition, this section shall not apply to public
42 records or other writings in the direct custody or control of any Governor who held

1 office between 1974 and 1988 at the time of leaving office, except to the extent
2 that that Governor may voluntarily transfer those records or other writings to the
3 State Archives.

4 Notwithstanding any other provision of law, the public records and other
5 writings of any Governor who held office between 1974 and 1988 may be
6 transferred to any educational or research institution in California provided that
7 with respect to public records, public access, as otherwise provided for by this
8 chapter, shall not be restricted for a period greater than 50 years or the death of the
9 Governor, whichever is later. No records or writings may be transferred pursuant
10 to this paragraph unless the institution receiving them agrees to maintain, and does
11 maintain, the materials according to commonly accepted archival standards. No
12 public records transferred shall be destroyed by that institution without first
13 receiving the written approval of the Secretary of State, as custodian of the State
14 Archives, who may require that the records be placed in the State Archives rather
15 than being destroyed. An institution receiving those records or writings shall allow
16 the Secretary of State, as custodian of the State Archives, to copy, at state expense,
17 and to make available to the public, any and all public records, and inventories,
18 indices, or finding aids relating to those records, which the institution makes
19 available to the public generally. Copies of those records in the custody of the
20 State Archives shall be given the same legal effect as is given to the originals.

21 **§ 6268.5. Appraisal and management of records by Secretary of State**

22 6268.5. The Secretary of State may appraise and manage new or existing records
23 that are subject to Section 6268 to determine whether the records are appropriate
24 for preservation in the State Archives. For purposes of this section, the Secretary
25 of State shall use professional archival practices, including, but not limited to,
26 appraising the historic value of the records, arranging and describing the records,
27 rehousing the records in appropriate storage containers, or providing any
28 conservation treatment that the records require.

29 **§ 6270. Prohibition on providing record to private entity in manner that prevents agency**
30 **from directly disclosing that record**

31 6270. (a) Notwithstanding any other provision of law, no state or local agency
32 shall sell, exchange, furnish, or otherwise provide a public record subject to
33 disclosure pursuant to this chapter to a private entity in a manner that prevents a
34 state or local agency from providing the record directly pursuant to this chapter.
35 Nothing in this section requires a state or local agency to use the State Printer to
36 print public records. Nothing in this section prevents the destruction of records
37 pursuant to law.

38 (b) This section shall not apply to contracts entered into prior to January 1, 1996,
39 between the County of Santa Clara and a private entity for the provision of public
40 records subject to disclosure under this chapter.

1 § 6270.5. Catalog of enterprise systems

2 6270.5. (a) In implementing this chapter, each local agency, except a local
3 educational agency, shall create a catalog of enterprise systems. The catalog shall
4 be made publicly available upon request in the office of the person or officer
5 designated by the agency's legislative body. The catalog shall be posted in a
6 prominent location on the local agency's Internet Web site, if the agency has an
7 Internet Web site. The catalog shall disclose a list of the enterprise systems
8 utilized by the agency and, for each system, shall also disclose all of the following:

- 9 (1) Current system vendor.
- 10 (2) Current system product.
- 11 (3) A brief statement of the system's purpose.
- 12 (4) A general description of categories or types of data.
- 13 (5) The department that serves as the system's primary custodian.
- 14 (6) How frequently system data is collected.
- 15 (7) How frequently system data is updated.

16 (b) This section shall not be interpreted to limit a person's right to inspect public
17 records pursuant to this chapter.

18 (c) For purposes of this section:

19 (1) "Enterprise system" means a software application or computer system that
20 collects, stores, exchanges, and analyzes information that the agency uses that is
21 both of the following:

22 (A) A multidepartmental system or a system that contains information collected
23 about the public.

24 (B) A system of record.

25 (2) "System of record" means a system that serves as an original source of data
26 within an agency.

27 (3) An enterprise system shall not include any of the following:

28 (A) Information technology security systems, including firewalls and other
29 cybersecurity systems.

30 (B) Physical access control systems, employee identification management
31 systems, video monitoring, and other physical control systems.

32 (C) Infrastructure and mechanical control systems, including those that control
33 or manage street lights, electrical, natural gas, or water or sewer functions.

34 (D) Systems related to 911 dispatch and operation or emergency services.

35 (E) Systems that would be restricted from disclosure pursuant to Section
36 6254.19.

37 (F) The specific records that the information technology system collects, stores,
38 exchanges, or analyzes.

39 (d) Nothing in this section shall be construed to permit public access to records
40 held by an agency to which access is otherwise restricted by statute or to alter the
41 process for requesting public records, as set forth in this chapter.

42 (e) If, on the facts of the particular case, the public interest served by not
43 disclosing the information described in paragraph (1) or (2) of subdivision (a)

1 clearly outweighs the public interest served by disclosure of the record, the local
2 agency may instead provide a system name, brief title, or identifier of the system.
3 (f) The local agency shall complete and post the catalog required by this section
4 by July 1, 2016, and thereafter shall update the catalog annually.

4 and local agencies in identifying exemptions to the California Public Records Act.

11 operate to exempt certain records, or portions thereof, from disclosure. The
