SUMMARY OF REPORT

Many provisions throughout the codes contain a sunset date of January 1, 2021. This report is intended to assist the Legislature in determining how to handle those provisions, given the unprecedented challenges stemming from the COVID-19 pandemic.

The report is purely informational in nature. In this report, the Commission does not take any position on the substantive merits of any particular sunset provision.

This report was prepared pursuant to Government Code Section 8298.

PENDING SUNSET DATES

1 Many statutes include a sunset provision, which specifies that a provision of law
2 will be repealed or become inoperative on a particular date. This report focuses on
3 statutes with a sunset date of January 1, 2021 (hereafter, a “1/1/21 sunset date”).

4 In an ordinary year, there is ample opportunity for persons interested in extending
5 or eliminating a sunset date to express their views, and for the Legislature to craft
6 and consider the merits of legislation to accomplish that result. If a statute warrants
7 continuation (either indefinitely or for a specified time period), the Legislature can
8 remove or adjust the sunset date, as appropriate.

9 Due to the COVID-19 pandemic, this year’s legislative schedule has been
10 interrupted and constrained in unprecedented ways. Further disruptions of the
11 legislative process might still occur. In addition, the Legislature is facing a host of
12 urgent and critical issues relating to the pandemic. As a result, it might not be
13 possible to give as much legislative attention as usual to the impending sunset dates.
14 That might lead to an inadvertent lapse or change in the law, with unfortunate
15 consequences.

16 To assist the Legislature, the Commission gathered information on 1/1/21 sunset
17 dates. This purely informational report presents and analyzes that information.

18 In this report, the Commission did not evaluate whether, as a matter of policy, any
19 specific sunset date should be extended.¹ The sole purpose of this report is to provide
20 objective information and neutral drafting suggestions that might be useful to the
21 Legislature in addressing the 1/1/21 sunset dates.

22 The report begins by explaining precisely which provisions the Commission
23 included in its analysis. Next, the report classifies those provisions in several
24 categories and discusses relevant circumstances for each category.

25 The report concludes with some technical observations on how legislation to
26 temporarily extend 1/1/21 sunset dates might be drafted.

SCOPE

27
28 In preparing this report, the Commission reviewed the codes to identify all 1/1/21
29 sunset dates.² For the purpose of this report, the following types of provisions were
30 considered to contain a “1/1/21 sunset date”:

1. But see *Revocable Transfer on Death Deed: Follow-Up Study*, 46 Cal. L. Revision Comm’n Reports 135, 181 (2019) (proposed 10-year extension of January 1, 2021 sunset date in Probate Code Section 5600).

2. This report does not include any 1/1/21 sunset dates that were added to the codes after June 1, 2020. See, e.g., 2020 Cal. Stat. ch. 11, § 14 (amending Penal Code § 1001.20 to add 1/1/21 sunset); 2020 Cal. Stat. ch. 22, § 1 (adding Unemployment Insurance Code § 1026.2, which contains a 1/1/21 sunset). Given the recent adoption of those sunset provisions, they do not appear to require further attention at this time.

- 1 • A provision that would be repealed, or become inoperative, by its own terms
2 on January 1, 2021.³
- 3 • A provision that would repeal, or render inoperative, one or more *other*
4 provisions of law on January 1, 2021.⁴
- 5 • A provision that says certain provisions of law should be treated as if they
6 would become inoperative or be repealed on January 1, 2021.⁵
- 7 • A provision expressly stating that a reporting requirement will become
8 inoperative, based on Government Code Section 10231.5, on January 1,
9 2021.⁶
- 10 • A set of paired “sunset/sunrise” provisions, where the first provision (the
11 sunset provision) is operative until a specified date and the second provision
12 (the sunrise provision) becomes operative on that same date. This report
13 includes such paired provisions if the repeal date of the sunset provision is
14 January 1, 2021, even if the sunset/sunrise transition would operate earlier
15 than that date.⁷

16 The Commission did not include provisions that otherwise use January 1, 2021,
17 as a date with legal effect. For example, the analysis does not encompass a provision
18 that requires submission of a report by January 1, 2021,⁸ or a rule that commences,
19 changes, or ends on January 1, 2021.⁹

3. See, e.g., Civ. Code § 1798.145(h)(4) (“This subdivision shall become inoperative on January 1, 2021.”); Mil. & Vet. Code § 59(c) (“This section shall remain in effect only until January 1, 2021, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2021, deletes or extends that date.”).

4. See, e.g., Educ. Code § 67425 (“This part shall become inoperative on September 1, 2020, and, as of January 1, 2021, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2021, deletes or extends the dates on which it becomes inoperative and is repealed.”); Health & Safety Code § 103870.2 (“This chapter shall remain in effect only until January 1, 2021, and as of that date is repealed.”).

5. See, e.g., Bus. & Prof. Code § 10050(a)(2) (“... The review shall be performed as if this part and that chapter were scheduled to be repealed as of January 1, 2021.”).

6. See, e.g., Pub. Cont. Code § 20119.5(b) (“The requirement for submitting a report imposed pursuant to subdivision (a) is inoperative on January 1, 2021, pursuant to Section 10231.5 of the Government Code.”).

7. See, e.g., Health & Safety Code §§ 103526(h), as amended by 2018 Cal. Stat. ch. 131, § 1 (“This section shall remain in effect only until January 1, 2021, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2021, deletes or extends that date.”), 103526(g), as amended by 2018 Cal. Stat. ch. 131, § 2 (“This section shall become operative January 1, 2021.”). See also Fish and Game Code §§ 3031(e) (as amended by 2018 Cal. Stat. ch. 295, § 5), 3031(e) (as amended by 2018 Cal. Stat. ch. 295, § 6).

8. See, e.g., Pub. Util. Code § 2838(a)(2) (report due January 1, 2021).

9. See, e.g., Civ. Code § 51.6(g)(1) (obligation to provide specified notice commencing January 1, 2021); Code Civ. Proc. § 1010.6(d)(5) (exemption from electronic filing and service requirements until January 1, 2021); Gov’t Code § 12833(c) (authority to adopt regulations under streamlined process extends until January 1, 2021); Pen. Code § 1170.127(a)(2) (provision applicable to filings before January 1, 2021); Veh. Code § 4853(b)(4) (requiring pilot programs authorized by subdivision to be completed by January 1, 2021).

CATEGORIZATION OF PROVISIONS
WITH 1/1/21 SUNSET DATES

The provision listed in this report have been divided into four tables. This was done because the posture of each provision could affect the Legislature’s analysis of the provision. To make that analysis easier, the provisions have been grouped together along those lines. The content of each table is described below.

Table 1. Miscellaneous Provisions with 1/1/21 Sunset Dates Affected by Pending Bill

With exceptions addressed by Tables 3 and 4 below, Table 1 lists all of the code sections that meet both of the following criteria:

- (1) The section contains a 1/1/21 sunset clause.
- (2) The sunset clause would be affected by a bill that is pending before the Legislature.¹⁰

For each such provision, the table quotes the key language in existing law (the 1/1/21 sunset clause and, in some instances, a corresponding sunrise clause), identifies the pertinent pending bill, indicates the date of last action on the bill, and shows whether the bill includes an urgency clause or other uncodified provision that may be relevant to revision of the sunset clause (i.e., a “plus section”).

Where a provision is currently included in multiple pending bills, the bills that would amend the sunset clause are listed first in the table. Any bill that would not affect the sunset is identified with a footnote specifying that the bill would make no change to the sunset.

Table 2. Miscellaneous Provisions with 1/1/21 Sunset Dates Not Affected by Pending Bill

Many code provisions that contain a 1/1/21 sunset clause do not have a corresponding, pending bill that would revise the sunset clause.¹¹ Those provisions are listed in Table 2.

In some cases, a section listed in Table 2 would be affected by a pending bill, but that bill would not directly affect the sunset clause (i.e., the bill would make some other unrelated change to the section). Information about such tangentially-related bills has not been included in Table 2.

10. Pending legislation was identified using the California Legislature’s Table of Sections Affected from July 1, 2020. For the purpose of this report, pending legislation only includes legislation that would, in its current form, make changes to a relevant provision. Pending legislation does not include any bill that was noted as having died or been vetoed on the California Legislative Information Service website.

11. See *supra* note 10.

1 **Table 3. Business and Professions Code Provisions**

2 The Business and Professions Code includes a large number of provisions that
3 contain 1/1/21 sunset dates that would be affected by pending legislation.¹² Table 3
4 lists those provisions.

5 Many of the sunset dates in Table 3 relate to the Joint Sunset Review Oversight
6 work undertaken by the Assembly Business and Professions Committee and the
7 Senate Business, Professions, and Economic Development Committee.¹³ In the
8 course of preparing this report, the Commission reached out to staff on those
9 committees.

10 Based on that correspondence, the Commission understands that (1) many of the
11 1/1/21 sunset dates in the Business and Professions Code are currently addressed in
12 committee-authored legislation and (2) the remainder are not at risk for inadvertent
13 lapse.¹⁴ For this reason, the 1/1/21 sunset dates in the Business and Professions Code
14 subject to pending legislation are grouped in their own table.

15 Where a provision is currently included in multiple pending bills, all of the
16 pending bills are noted in the table. The table does not distinguish between bills that
17 would amend the sunset and those that would not.

18 **Table 4. Labor Code Section 2750.3**

19 Labor Code Section 2750.3 is a lengthy, controversial section that addresses
20 whether a person providing labor or services for remuneration is an employee, as
21 opposed to an independent contractor. The section includes a paragraph specifically
22 relating to a newspaper distributor or newspaper carrier, which by its terms, will
23 become inoperative on January 1, 2021.¹⁵

24 Section 2750.3 is addressed in over thirty pending bills. Two of those bills propose
25 to eliminate the inoperative date and indefinitely continue the legal requirements
26 relating to a newspaper distributor or newspaper carrier.¹⁶ In the remaining bills, the
27 inoperative date would be unchanged or the substantive changes would be so
28 significant that the section would be repealed and replaced altogether.¹⁷

29 Given the wide range of different legislative proposals focused on this section, it
30 is clear that the content of the section is being closely scrutinized. Because the
31 posture of the section is unique, information about it is provided in a separate table.
32 Table 4 lists the bills that would affect Labor Code Section 2750.3.

12. See *supra* note 10.

13. See <https://abp.assembly.ca.gov/jointsunsethearings>.

14. Many of the 1/1/21 sunset dates are addressed in a bill authored by the Senate Committee on Business, Professions, and Economic Development. See SB 1474, as amended June 18, 2020.

15. See Lab. Code 2750.3(b)(7)(B) (“This paragraph shall become inoperative on January 1, 2021, unless extended by the Legislature.”).

16. See AB 2796 (Fong), as introduced Feb. 2, 2020; SB 867 (Bates), as introduced Jan. 17, 2020.

17. See, e.g., AB 1850 (Gonzalez), as amended May 12, 2020; SB 900 (Hill), as amended Mar. 26, 2020.

ANALYSIS AND POSSIBLE LEGISLATION

The Legislature may wish to introduce an omnibus bill to extend certain 1/1/21 sunset dates by one year, so that those sunsets would instead operate on 1/1/22.

This would be appropriate, for instance, if the Legislature determines that a 1/1/21 sunset date should perhaps be extended, but that the present emergency makes it impractical to commit the resources required to fully consider the matter this year. The status quo would then be preserved for one year, allowing the Legislature to revisit the matter on its merits in 2021.

Even if legislation to adjust a 1/1/21 sunset date is already pending before the Legislature and is making steady progress toward enactment, it might be prudent to include the affected provision in an omnibus bill. This would serve as a safety net, preventing an unintended gap in the law's effect that might occur if the present emergency somehow interferes with the more targeted bill's progress.

To best serve such a purpose, the omnibus bill should include a subordination clause. In the event that another bill that affects a section in the omnibus bill is eventually enacted, that other bill would control over the omnibus bill, regardless of the order in which they are enacted. A subordination clause is routinely used in the Maintenance of the Codes bill and similar omnibus technical bills, to prevent a technical amendment from chaptering out a more significant change made in another bill (without the need for numerous double-jointing provisions).

With a subordination clause, an omnibus bill would only affect a 1/1/21 sunset date if no other bill affects the same provision.

As noted above, the categorization used in Tables 1-4 is intended to assist the Legislature in deciding whether any 1/1/21 sunset dates should be included in an omnibus sunset extension bill. Each table reflects a different posture that might be relevant to the Legislature's analysis. The implications of those postures are summarized below.

- **Table 1.** All of the sunset dates listed in Table 1 are the subject of one or more pending bills that would affect the sunset date. The existence of those bills suggests that there is some legislative interest in extending those sunset dates, rather than letting them operate. Most of the related bills are making good progress toward enactment. Those efforts may be sufficient to ensure that the Legislature's purposes are served. However, the Legislature should consider whether to include such provisions in an omnibus bill, as a hedge against the possibility that things might change in way that further limits the resources available in 2020.
- **Table 2.** This table lists sunset provisions for which there is no bill that would affect the sunset date. This suggests that the Legislature may have concluded that it is proper that those sunset provisions operate on 1/1/21. If so, then there would be no need to include them in omnibus legislation. However, it might be worth reviewing the list to make sure that the absence of any legislation to change the sunset date is not inadvertent. In the current pandemic, the Legislature and affected groups have their hands full with high-priority

1 emergency work, at a time when resources are unusually constrained. It might
2 be that some 1/1/21 sunset dates listed in Table 2 should be extended, but
3 have simply slipped through the cracks.

- 4 • **Table 3.** The provisions listed in Table 3 are sunsets from the Business and
5 Professions Code that would be affected by pending legislation. A number of
6 these provisions relate to the Joint Sunset Review Oversight work conducted
7 by the Legislature. The Commission understands that these provisions are not
8 at risk of inadvertent lapse and, for that reason, may not need to be included
9 in omnibus legislation. However, the Legislature could include these
10 provisions if it wishes to provide a backstop for the other pending bills. If the
11 omnibus legislation includes a subordination clause, there would be no
12 obvious disadvantage to doing so.
- 13 • **Table 4.** Labor Code Section 2750.3 is the subject of numerous and varied
14 pending bills. Given the significant legislative attention on this provision, the
15 sunset provision does not appear to be at risk of inadvertent lapse. For this
16 reason, it may not need to be included in omnibus sunset extension legislation.

17 CONCLUSION

18 As explained above, this report is purely informational. Its purpose is to provide
19 information that the Legislature may find helpful in deciding how to address the
20 numerous 1/1/21 sunset dates in existing law.

21 The Commission takes no position on whether or how to address those provisions,
22 other than to point out the possible advantages of an omnibus bill with a
23 subordination clause that extends the sunset dates by one year. Such a vehicle would
24 serve as a safety net, preventing an unintended lapse in the law if changed
25 circumstances disrupt more focused legislative reforms.

18. The legislation affecting each of the relevant sections was identified using the California Legislature’s Table of Sections Affected from July 1, 2020.

19. AB 873 would, in addition to making substantive changes to the section, not continue the existing language of subdivisions (h) and (n), which, under current law, will become inoperative on January 1, 2021.

20. AB 981 would, in addition to making substantive changes to the section, not continue the existing language of subdivisions (h) and (n), which, under current law, will become inoperative on January 1, 2021.

21. AB 1416 would, in addition to making substantive changes to the section, not continue the existing language of subdivisions (h) and (n), which, under current law, will become inoperative on January 1, 2021.

22. SB 1371 is the maintenance of the codes bill. SB 1371 would not change the existing language of paragraphs (h)(4) and (n)(3), which, under current law, would render the subdivisions inoperative on January 1, 2021.
