Memorandum 69-12

Subject: Meeting Dates

Possible dates for Commission meetings during 1969 are shown on the attached gold sheet. If the suggested dates were adopted, the Commission would meet for 20 days, 5 evenings, and 1 morning during 1969.

All of the meetings would be in Los Angeles or San Francisco except for a meeting in San Diego in June. The Big Game (California v. Stanford) will be at Stanford during 1969. In light of the views expressed at the last meeting, the suggested schedule does not provide for holding the November meeting on Big Game weekend.

What are the Commission's desires on this matter?

Respectfully submitted,

John H. DeMouilly  
Executive Secretary
