

8/22/83

Memorandum 83-81

Subject: Handbook of Practices and Procedures

Attached is a copy of a revised Handbook of Practices and Procedures. We have included it on the agenda so that you will have an opportunity to raise questions concerning the Handbook for discussion at the meeting. Absent any questions or suggestions for change, we will not discuss the Handbook at the meeting. You should save the attached copy of the Handbook for future reference.

Respectfully submitted,

John H. DeMouilly  
Executive Secretary
