First Supplement to Memorandum 2002-62

**Probate Code Technical Corrections:
Additional Provisions**

We have received a note from Dibby Allan Green, Certified Legal Assistant Specialist, bringing to our attention an additional Probate Code reference in need of correction:

Prob. Code § 19054 (amended). When notice is excused

19054. Notwithstanding Section 19050, the trustee need not give notice to a creditor even though the trustee has knowledge of the creditor if either of the following conditions is satisfied:

- (a) The creditor has filed a claim as provided in this part.
- (b) The creditor has demanded payment and the trustee elects to treat the demand as a claim under Section ~~19153~~ 19154.

Comment. Section 19054 is amended to correct an incorrect cross-reference. See Section 19154 (election to treat demand as claim).

The staff would include this proposed revision in any tentative recommendation circulated for comment.

Respectfully submitted,

Nathaniel Sterling
Executive Secretary
