Trial Court Restructuring Clean-Up: Completion of Studies Under Government Code Section 70219

Request for Public Comment

Government Code Section 70219 directs the Judicial Council and the Law Revision Commission to undertake certain studies relating to judicial administration. The Judicial Council and the Commission have completed those studies as assigned. Section 70219 thus appears to be obsolete and the Commission tentatively recommends its repeal.

The Commission seeks comments on its tentative recommendation, which is available at www.clrc.ca.gov/J1406.html. Comments can be in any format. The Commission often substantially revises its recommendations as a result of public comment. To receive timely consideration, comments should be submitted to bgaal@clrc.ca.gov by **September 1, 2020**.
