Repeal of Penal Code Section 1463.5

Request for Public Comment

The California Law Revision Commission seeks public comment on a tentative recommendation relating to the distribution of court revenue.

Existing Penal Code Section 1463.5 authorizes the use of “probability sampling” in determining how to apportion certain court revenue. The Commission has been informed that the probability sampling authorized by Section 1463.5 is no longer in use. Based on that information, the Commission recommends that Section 1463.5 be repealed as obsolete.

The tentative recommendation is available from the Commission’s website (www.clrc.ca.gov) in the pull-down “Reports” menu, by selecting “Tentative Recommendations.”

The Commission often substantially revises its recommendations as a result of public comment. To receive timely consideration, comments should be submitted by **October 1, 2023**.
