**Request for Public Comment**

The California Law Revision Commission seeks public comment on a tentative recommendation relating to statutory procedures in the Probate Code that allow, under specified circumstances, for transfer of a decedent's property without probate administration.

Specifically, the tentative recommendation proposes to improve the provisions that govern the liability of persons who take property under those procedures. The Commission requests public comment on each of the proposed reforms.

The tentative recommendation is available on the Commission's website ([www.clrc.ca.gov](http://www.clrc.ca.gov)) in the pull-down "Reports" menu, under "Tentative Recommendations." It is also available from the California Law Revision Commission, c/o UC Davis School of Law, Davis, CA 95616.

The Commission often substantially revises its recommendations in response to public comment. To receive timely consideration, comments should be submitted to the Commission by **October 15, 2019**.
