**Fish and Game Code: Funding Provisions  
(Discussion Draft)**

**Request for Public Comment**

The California Law Revision Commission seeks public comment on a discussion draft that presents its preliminary analysis of the funding provisions of the Fish and Game Code.

The discussion draft was prepared in response to a request from the Legislature that the Commission assist in analyzing the funding sources provided in the Fish and Game Code, without recommending any substantive change to that law.

The discussion draft is available from the Commission's website ([www.clrc.ca.gov](http://www.clrc.ca.gov)) in the pull-down "Reports" menu, under "Tentative Recommendations."

The Commission often substantially revises its reports as a result of public comment. To receive timely consideration, comments should be submitted by **April 30, 2018**.
