Fish and Wildlife Code

Request for Public Comment

The California Law Revision Commission seeks public comment on its tentative recommendation to repeal the Fish and Game Code and enact a Fish and Wildlife Code to continue the former law. The goal is to improve the organization and expression of Fish and Game law, without making significant substantive changes to that law.

The tentative report is available at the Commission's website (www.clrc.ca.gov) in the pull-down "Reports" menu, under "Tentative Recommendations." It is also available from the California Law Revision Commission, c/o UC Davis School of Law, Davis, CA 95616.

The Commission often substantially revises its reports as a result of public comment. To receive timely consideration, comments should be submitted by **January 1, 2020**.
