NOTE

The Commission's reports, recommendations, and studies are published in separate pamphlets that are later bound in permanent volumes. The page numbers in each pamphlet are the same as in the volume in which the pamphlet is bound, which permits citation to Commission publications before they are bound. This pamphlet is the prefatory material for Volumes 21 and 22 of the Commission's *Reports, Recommendations, and Studies*, which are bound together.

P R E F A C E

Volumes 21 and 22 of the California Law Revision Commission's publications are bound together. Beginning with Volume 21, Commission publications have been assigned an annual volume number, replacing the former practice of assigning biennial volume numbers. It is anticipated that the usual practice of preparing biennial bound volumes will continue, but it should be noted that the Commission's practice of preparing a small edition of bound volumes is made possible only because expenses can be reimbursed from receipts.

In order to facilitate binding of Commission publications by libraries, this pamphlet has been prepared separately for distribution to depository libraries and others. Thus, starting with this publication, the *Cumulative Table of Sections Affected by Commission Recommendations* appears at the beginning of the bound volume, instead of at the end as was the prior practice.

This volume contains the Commission's Annual Reports for 1991 and 1992 and recommendations to the 1991 and 1992 sessions of the Legislature. Volume 21 and Volume 22 are separated by a blue divider page. The former practice of numbering pages consecutively throughout a bound volume has been discontinued because of the uncertainty concerning when or if a bound volume may be issued.

Legislative histories of Commission measures enacted at the 1991 legislative session are contained in the *1991 Annual Report* beginning on page 20 of Volume 21. Legislative histories of 1992 measures are contained in the *1992 Annual Report* beginning on page 851 of Volume 22.

The *Cumulative Table of Sections Affected by Commission Recommendations*, following this preface, lists all sections of the Constitution, codes, and session laws that have been adopted, enacted, amended, or repealed on recommendation of the Commission. The table in this bound volume includes legislation enacted through the 1992 legislative session.

The annual reports and recommendations contained in this volume were originally published as separate pamphlets. Page numbers are continuous within an annual volume. Page omissions are indicated, where they occur.

Errata

The following are corrections for typographical errors in the Legislative History section of the *Annual Report for 1992*, 22 Cal. L. Revision Comm'n Reports 831 (1992):

- P. 852: The citation for *Recognition of Trustees' Powers* in lines 14-15 of the first paragraph should read "20 Cal. L. Revision Comm'n Reports 2849 (1990)"
- P. 853: The citation for *Special Needs Trust for Disabled Minor or Incompetent Person* in lines 4-5 of the last paragraph should read "22 Cal. L. Revision Comm'n Reports 989 (1992)"

CUMULATIVE TABLE OF SECTIONS AFFECTED BY COMMISSION RECOMMENDATIONS

Instructions for Use of Table

Introduction

The table starting on page T.11 lists constitutional amendments, code sections, and uncodified sections that have been adopted, enacted, amended, or repealed as a result of Commission recommendations.¹ The table is cumulative to December 31, 1992.

The table indicates the action that was taken on each section: “(A)” for an amendment, “(new)” for a new enactment, or “(R)” for a repealed section.

Each section entry is followed by a reference to the material contained in this and preceding volumes that relates to the section. The reference cites the volume number first and then page numbers, with some exceptions. Early references designate annual reports; thus “1955,” “1957,” and “1959” refer to the Commission’s annual reports for those years, not volume numbers. Annual reports may be located by referring to the table of contents of the relevant volume.

Finding Legislative Histories

Preceding the cumulative table of affected sections is a list of cross-references to legislative histories of measures enacted on Commission recommendation. A legislative history provides additional information on the disposition of a particular recommendation. Reference to a legislative history is also required to determine whether supplementary reports were published. The legislative history list starts on page T.5.

1. The Commission did not publish reports concerning the following codifications enacted on Commission recommendation: *Partial Revision of Education Code* (1955 Cal. Stat. chs. 799 & 877); *Fish and Game Code* (1957 Cal. Stat. ch. 456); *Codification of Laws Relating to Grand Juries* (1959 Cal. Stat. ch. 501). No references to these codifications are contained in the cumulative table. In addition, the repeal of the Probate Code is not indicated for each section of the repealed code. See the note at the beginning of the listing for the repealed Probate Code.

For the first three volumes, legislative history references are included in the cumulative table of affected sections, indicated by “Leg. Hist.”

Beginning with Volume 4, the volume and page references found in the cumulative table of affected sections should be cross-checked in the legislative history list. Any relevant legislative history should be examined to find whether there are any additional published reports.

Examples of Using Cumulative Table and Legislative History List

Example A

Research on Code of Civil Procedure Section 1710.60 would involve the following steps:

(1) Look up Code of Civil Procedure Section 1710.60 in the cumulative table. This gives a citation to 11:451-73. This is a reference to the relevant Commission recommendation appearing in Volume 11 on pages 451-73 — *Recommendation Relating to Enforcement of Sister State Money Judgments* — which should be consulted.

(2) Check the volume and page reference (11:451-73) in the legislative history list. Here we find a short-hand indication of the recommendation’s subject matter (“Sister State Judgments”) and a citation to 12:534. This means that the legislative history of this recommendation will be found on page 534 of Volume 12.

(3) Look up the cited legislative history on page 534 of Volume 12. Here we find additional information, including the bill number, chapter number, and the name of the legislator who carried the bill. The legislative history reports that the “bill was enacted as introduced” and the search is complete.

Example B

A person researching Code of Civil Procedure Section 1710.15 would face additional complications:

(1) Look up the section in the cumulative table. This gives a citation to 11:451-73 (meaning Volume 11, pages 451 to 473), as in *Example A*. However, we also find citations to 13:1669-78 and 15:7-19 concerning later amendments of Code of Civil Procedure Section 1710.15. These are citations to the *Recommendation Relating to Sister State Money Judgments* and the

Recommendation Relating to Interest Rate on Judgments, which should be consulted for background information.

(2) Check these volume and page references in the legislative history list:

(a) As in step 2 of *Example A*, we find the reference to “Sister State Judgments” and a citation to the legislative history of this recommendation on page 534 of Volume 12.

(b) Looking up 13:1669-78 gives a reference to “Sister State Judgments” and a citation to the recommendation’s legislative history on page 12 of Volume 14.

(c) Looking up 15:7-19 gives a reference to “Interest on Judgments” and a citation to the recommendation’s legislative history in two places: page 1427 of Volume 15, and page 2025 of Volume 16.

(3) Look up the cited legislative histories:

(a) As in step 3 of *Example A*, we find that the “bill was enacted as introduced” and the search in this branch is complete.

(b) Look up the cited legislative history for 13:1669-78 on page 12 of Volume 14. This legislative history contains a reference to another report on the bill published as Appendix VI to the *1977 Annual Report*. This involves one more research step: By referring to the Table of Contents of the *1977 Annual Report*, we find Appendix VI at page 81, providing additional information on Code of Civil Procedure Section 1710.15 as amended.

(c) Look up the cited legislative history for 15:7-19 on page 1427 of Volume 15. We find that the bill was not enacted, but that the Commission planned to resubmit the recommendation in the 1981 legislative session. Now look up the other legislative history listed for 15:7-19 on page 2025 of Volume 16. We find that the bill was enacted in 1982 with some additional material not recommended by the Commission. There are no additional citations to published material, and the search ends.
